## **Clothing & Book Swap FAQ**

Q: How does it work?

A: Donate as many gently used items as you want on the Friday drop-off day from noon to 8:00 pm at Hinesburg Town Hall (or in designated locations throughout town leading up to the swap). Items will not be accepted on swap day. Volunteers will sort clothing by size and gender. We don't assign dollar values or tally up what you drop off. Participants in the swap can pick whatever they need for their families on the Saturday swap day from 9:00 am to 10:30 am.

Q: Do I need to drop off clothing and/or books to participate?

A: No! If you just need clothing for your family and do not have anything to donate, you are welcome to just "shop."

Q: Can I drop off toys?

A: We do not accept toys. Please consider donating those elsewhere.
